Turkey is the cradle of cultures and civilizations connecting Europe and Asia and capital of civilizations that have reigned the lands of Anatolia for centuries. Turkey is one of the countries which has both in Asia and Europe. This enables Turkey to reflect diverse cultures and experiences. Its cultural richness and diversity was shaped by its deep historical roots, cultures and beliefs in Middle East, Anatolia and Balkans.

The population of Istanbul is estimated to be between 15 and 18 million people, making it one of the largest cities in Europe and the world.

With its long history at the center of empires, Istanbul offers a wealth of historic and religious monuments that are the heart of the economy. The city today is the backbone of Turkey’s economy. The city is the leading port whose importance is stressed by the age-old trade routes passing through the Bosphorus. Istanbul is estimated to have maintained its position as the busiest port in the world. The city today is the backbone of Turkey’s economy.
